

Pre-Flight

Before you apply, be ready.

An AI-powered pre-application check
for a smoother loan journey.

THE PROBLEM

The application doesn't fail at submission. It fails before it.

Customers face confusion, repeated effort and unexpected issues before they submit.

Same goal.
Too many
questions.

THE TYPICAL JOURNEY

KEY PAIN POINTS

Pre-Flight

Your personal copilot for financial applications.

AI-powered pre-flight checks for your financial application.

Clear insights.
Fewer surprises.
A smoother journey.

Be better prepared.
Move forward with confidence.

 **Saves time**
Avoid last-minute hurdles

 **Reduces rejections**
Submit complete and accurate applications

 **Builds confidence**
Know what's missing, upfront

THE IMPACT

Better prepared customers for a smoother tomorrow.

By helping users spot gaps early, Pre-Flight leads to faster, smoother and more confident financial journeys.

Saves time

Avoid last-minute hurdles and rework.

Reduces rejections

Submit complete and accurate applications.

Builds confidence

Know what's missing, upfront.

HOW IT WORKS

A simple flow to a stronger application.

Share a few details, upload your documents, let AI spot the gaps, and get clear next steps.

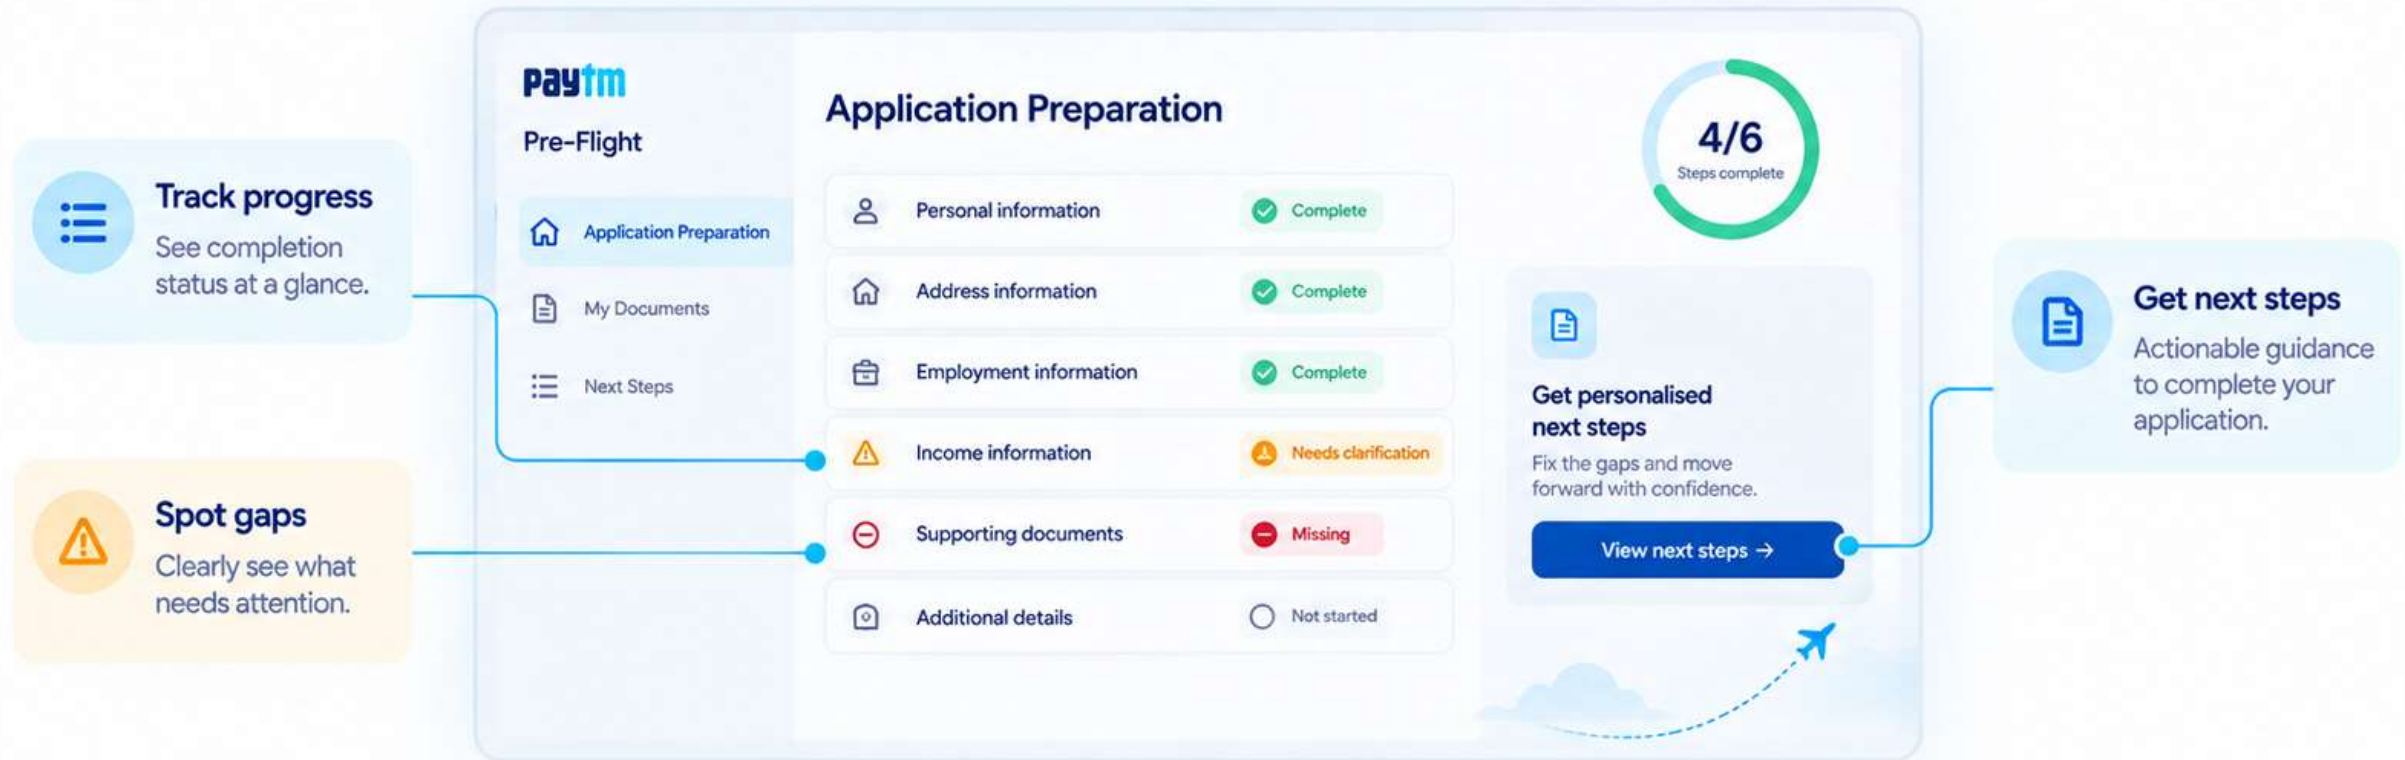

○ ————— FROM CONFUSION TO CLARITY ————— ○

THE PRODUCT

A clear view of what's missing.

A simple, guided dashboard that highlights gaps and suggests next steps.

THE IMPACT

A smoother journey for everyone.

Less confusion. Fewer rejections. Better financial outcomes.

APPLICANTS
